

# Application for CSA Long Range Training Class

The goal of this class is to provide you the basic education, training, and experience to safely use our 600 yard range. Successful completion of this class will earn you a range card stating you have met the minimal qualifications to use our 600 yard range with RSO supervision. You will need this range card with you when using the 600 yard range.

Testing and qualification is a one-time event. It is expected that you will use what you have learned to safely shoot any rifle at our 600 yard range. If you would like assistance with this please contact Terry Balding.

We will be using the Shooter Ready program in our classroom demonstration. It is highly recommended that you practice with this program prior to attending the class. Demos are available online at <http://www.shooterready.com/>. You will find that this is a great tool and may wish to purchase it to practice your skills.

The Board of Directors has set the fee for this class at \$50.00. Those who have physically labored with us on this project in 2012 may deduct \$10.00 per hour of labor. Please email or mail your registration to Terry Balding at [terry.balding@wiwealthadvisors.com](mailto:terry.balding@wiwealthadvisors.com) or 1777 West Main St., Suite 203, Sun Prairie, WI 53590.
