

## **FIREARMS PRODUCTION SPECILAIST**

AllTerra Arms is a premium custom rifle manufacturer located in Boise, ID. We manufacture top of the line bolt action rifles and carbon fiber stocks and have the only guarantee of its kind in the industry. Our rifles will meet our accuracy and reliability standards or we provide a full refund.

Our mission: Innovating to create the world's most accurate and reliable firearm, guaranteeing an epic shooter experience.

### **The core values we live by are:**

#### **HONESTY**

We always tell the truth to our customers, vendors, partners and each other.

#### **RESPECT**

Every interaction we have with our customers, vendors, partners, and each other is conducted with courtesy, respect, and professionalism.

#### **TEAMWORK**

We work, help, and support each other to ensure we fulfill our mission and serve our customers by building the finest products on the planet.

We are looking for an experienced candidate who shares our values to join our rapidly growing team. The ideal candidate is highly skilled, dynamic, positive, personable, and self-sufficient. If you have a can-do attitude and the skills and experience to perform a wide variety of firearms manufacturing related duties, we're looking for you! This job is located at our manufacturing facility in Boise, ID.

### **Responsibilities and Duties:**

- Test fire rifles to insure safe function and performance
- Certify rifles to meet our accuracy guarantee of sub-.5" MOA (3-shots at 100 yards)
- Develop and load ammunition
- Dope loads out to 1,000 yards and load data on ballistics weather device (such as Kestral 5700) or Hornady Ballistics app
- Log testing data and prepare reports
- Perform various duties related to the assembly of rifles as directed

### **Qualifications/Skills:**

- Experienced, highly skilled shooter capable of shooting sub-.5" 3-shot groups at 100 yards
- Experienced in ammunition and load development
- Experienced in and understand basic bullet performance such as trajectory, velocity, etc.
- Experienced in data collection and record keeping.
- Highly organized, dependable, accurate, responsible, and work independently
- Exceptional verbal and written communication skills
