Clothes to be worn while hunting:

Kayland Apex XT boots	1946
Gaitors high HD	x
Softshell jacket mil std	x
Shorts	x
Woolnet top high neck	x
Wool boxer	x
Wool longs	x
Mid weight wool socks	x
Thin gloves	x
Cap	x

1. x = not weighed yet / no items chosen
2. Exped down mat AND closed cell mat:
Closed cell serves two uses. Backup for inflateable mat. Bring along when glassing..
3. Jerven bivvy bag:
Heat reflective inner, watertight, mtn camouflage.
Will save me the weight of warmer clothes when stopping to glass for extended periods of time.
Also suitable in rainy weather, as opposed to down garments.
2mx2m, 1mx2m in use, so can stay a night outside if neccessary..
